Instructions for Flip Quizzes:

1. Take your Inquiry notes home and select two essential questions from each of the inquiry assignments. Copy the essential questions on to your quiz assignment (they will act as the questions to the quiz.) There will be five inquiry notes so you will have 10 questions. Then select 20 facts from the inquiry notes and highlight and study those notes. When you are ready put the answers away and take the test in front of your parent. When you are happy with your answers have your parent grade the quiz using your inquiry notes. The parent will grade and sign the quiz. The answers do not need to be word for word but paraphrased and coherent.
