- > Guest Speaker from Relay for Life
- > Short Meeting power point and club update
- > New officer election!
- > Relay for life information packet
- > Egyptian costumes!!

Volume 1, Issue 4

Save our Seabirds:

This was a great service project that we did on March 14th. Thank you to those dedicated girls who attended. We cleaned a large overgrown bird cage to make room for more injured pelicans, watered plants and got a tour of the area. We really enjoyed this project and recommend it.

Club updates

- April 14th there will be a new officer vote. All positions will be available. President, Vice President, Secretary, Treasurer, Historian, KIVA, and relay co-captains. The new officers may choose to add more positions if necessary.
- You must have a short speech prepared next meeting to present for the position you choose to run for. After speeches, all club members will vote and positions will be announced at Relay for Life the following weekend.
- If you plan to run for an officer we highly encourage you to shadow that officer at the car wash and relay. Also come to any officer meetings on off-club meeting days.
- CAR WASH! April 11th, from 9am-2pm. Please sign up for a shift. It will be the same as last time.
- Shell gas station on palmer rd off cattlemen rd. Please wear your club t-shirt and try and sell pre-sale tickets to friends and family.
- Attendance is important at any event the club has, when we tell you of an upcoming event, please make arrangements to attend as this is a commitment to the club.
- Please see the Relay newsletter for updates.
- Have a great spring break girls!
