

## **Instructions for Book A Level AICE American History**

**Read the book!!!!!!! Do not just give me something that the internet says unless I ask for it. Please do not insult me with cliff notes or book summaries from the Internet. Submit this to the drop box.**

1. One paragraph summary of the plot, in your own words
2. Five characters. Describe them to me as if I needed to understand them before meeting them.
3. Ten favorite quotes. Literary, personal, plot development? Comment on each quote.
4. Why you chose the book? Did it give you any understanding of the time period? Understanding of an important author?
5. Why is the author or book important to American history?
6. One paragraph validation of the author. (Both negatives and positives.)
7. Critical analysis from the time period. Critical analysis from today. (Yes, now you can use the Internet.)
8. Something you wanted to say but I didn't ask.
9. APA cited references, including the book itself.
