

Instructions for highlighting and note taking in books for Global Perspectives

You may type the highlights and notes but listed below is an alternative method if you want to do it. Make sure you label chapters, highlights, and notes. Please number everything so I can move quickly through your assignment regardless of method used.

OR

Book Notes and Highlights

You must have, for each chapter, 10 notes and ten highlights. So instead of writing out our highlights and notes this tab system can be used.

Blue Tab- BOTH Highlight and note

Pink Tab- JUST a note

Yellow Tab- JUST a highlight

*The tabs **MUST** be numbered*

1-h2/n3, 2-h1, 3-n5

Chapter # -- highlight and/or note #

Then there has to be a chapter tally.

Ex:

Chapter 1- The Race to Codlandia

<u>Blue</u>	<u>Pink</u>	<u>Yellow</u>
